

# Definitions of Magic

## High Magic vs Low Magic

**High Magic:** Magic for the purpose of arriving at Enlightenment

- Initiations: Markers and veils of mystery leading to Realization
- Sabbats and Esbats: Reminders of Who and What we really are
- Mind Training: Meditation, Relaxation, Concentration, Spell Casting (for others), balancing the personality
- Devotional Practice: Self-Blessing, Drawing Down the Moon and Sun,
- Work with the Gods, and Archangels
- Path Working: Introductions to your own Mind

**Low Magic:** Everything else

(ie. everything that isn't for the purpose of Enlightenment)

- Work with elementals, angels, spirits
- Divination
- Spell Casting (for oneself)

## White Magic vs Black Magic

\*Inula's note: Benefic vs Baneful

**White Magic:** Magic for the purpose of helping others, also for helping oneself be able to help others

- Realizing the Oneness of all beings, the Great Mind, through altruism
- One needs a smile, in order to share that smile

**Black Magic:** Magic for the sole purpose of helping oneself.

- ANY magic that harms others, or costs others for the benefit of the magic
- Anything that serves your ego or pride.
- Anything that serves greed, envy, jealousy
- Anything done out of anger for vengeance or anger that serves the ego
